

Funding Requirements	Prop. 2	Prop. 16	Prop. 52	Prop. 86
Provide a minimum of 25 percent matching funds.	✓	✓	✓	✓
Demonstrate extent to which all other available means of raising funds have been exhausted.	✓	✓	N/A	N/A
Demonstrate the extent to which capital improvements are necessary to protect the life or safety of persons confined or employed in the facility or to improve the health and sanitary conditions of the facility.	✓	✓	✓	✓
Consider including areas where misdeameanants, attempting to obtain release on bail, can be safely held without the necessity of unclothed body searches.	N/A	✓	✓	✓
Commence construction or renovation by September 30, 1989. This date was later extended to September 30, 1990. (Counties may request extensions based upon unavoidable construction delays criteria adopted by the Board of Corrections.)	N/A	N/A	✓	N/A
Commence construction or renovation by September 30, 1993.	N/A	N/A	N/A	✓
Document the existence of, or plans for, separate housing for juveniles, for persons detained or arrested because of intoxication, and for mentally ill defendants or convicted prisoners, which will prevent the mixing of these categories of prisoners with other adult jail prisoners.	N/A	N/A	✓	✓
Policies and procedures for screening, identifying, and classifying inebriates and mentally disordered prisoners must be documented.	✓	✓	✓	✓
Use alternatives to incarceration to the greatest practicable extent and providing the Board of Corrections with information on county incarceration rates.	N/A	N/A	✓	✓
Prepare a master site plan for county detention facilities. The master plan considers alternatives to additional detention facilities; the specific concerns of incorporated cities and other community representatives; and existing state, federal, and local detention facilities to avoid overconcentration of inmates in one geographic area of the county.	✓	✓	✓	✓
Submit a preliminary staffing plan.	N/A	N/A	✓	✓
Submit an analysis of other operating costs anticipated for the proposed facility which have been reviewed and approved by the board of supervisors in or following public hearings. The focus here is to ensure counties are aware of long-term staffing and operating costs.	N/A	N/A	✓	✓
Meet construction cost controls as established by the Board of Corrections for various facility types.	N/A	N/A	N/A	✓
Purchase Prison Industry Authority or local jail industries program products where feasible when bond moneys are used to pay for furnishings and equipment.	N/A	N/A	N/A	✓
